

## Benefits For Your Hotel:

- Disinfects Entire Guestroom
- Sanitizes High Touch Areas
- Provides Clean Environment  
for Employees, Guests, Vendors, Contractors

The TRT Room Shield™ system provides maximum disinfection to high-touch areas where germs can transfer from one person to another. Areas in guestrooms such as carpet, tile floors, door handles, remotes, countertops, faucets, window seals, A/C units and many more other high-touch surfaces. The disinfection mist system eliminates higher rates of germs and bacteria than with traditional cleaning materials. Our technicians take guestroom disinfection seriously. By providing this value-added service we make sure your guestrooms are sanitized for your guests and our technicians while your hotel is experiencing a renovation.
